

## FAMILY UPDATE:

As we enter into the middle of September, we are super thankful for the wonderful privilege to home school our children. They are growing and learning in amazing ways. We've officially had almost a month of school and it feels so good to have find a rthymn. We have also have loved going to church each week. Jason and Sarah are so happy to now understand most of what goes on during the all-Spanish service. The children are also picking up Spanish and love going to their class!

Joel and Liana are doing so well, both in second grade. They have adjusted to watching videos for History, Science, and Bible. The rest of their subjects they do with mommy. Emmalia is learning to be independent and working more and more on her own, but she still likes to do Reading and English with mommy. Daddy helps a lot with science! Our two oldest boys, Jack & Titus are in 8th & 6th grades. They are such hard workers. Jack is doing fantastic with Pre-Algebra this year while Titus is learning to write in English and just finished a wonderful article on the "Best Camp Ever." (Which for those in W.V. is Alpine Bible Camp!)

Jack and Emmalia!

Thanks to your extra support these past two months we were able to purchase a second vehicle. It has been such an answer to prayer as we continue to serve. It will be a great help when the teams come down.

## REARICK SURGICAL CENTER UPDATE

In January & July we were able to have General Surgeons. This October we are super exited to have an orthoepic surgeon and a pediatric surgeon. Jason is already starting to get referrals and scheduling patients for pre-operative appointments. We KNOW God has some great plans for October's trip.

We shared last week some needs we have, but we wanted to share again. If you, or know of someone, who has experience in either PACU- care, familiar with working in the operating room, or general med-surgical care. We have had ER and ICU nurses who were capable of helping. Currently for our October trip we need at least three more nurses! We need your help to spread the word to your nurse friends. We have a special brochure for you to print off and pass along. See the orange button below! This brochure shares all about serving at the RSC (Rearick Surgical Center). Feel free to print it or forward this email to a friend. The following weeks will hold a lot of busy work!

## PRAYER REQUESTS

- Pray for THREE MORE NURSES to sign up for October!
- Praise God for a new vehicle.
- Pray as Jason selects patients.
- Praise God for His protection as we were sick in August.
- Pray for the team preparing to come in October - God would start even now preparing hearts.
- Pray for our family as we gear up for a busy season during the weeks leading up to the team coming.

HOW TO PRAY FOR US:

## LEARN MORE

Want to come to Honduras in 2022?

Check out our 2022 Calendar here:

<https://medical-outreach.com/get-involved/2022-calendar>

### SURGICAL TRIPS:

- January 14-21, 2022
- April 21-30, 2022
- July 29-August 6, 2022
- October 14-22, 2022

## SPECIAL GIVING OPPORTUNITY:

Are you excited about what God is doing in Honduras?! You KNOW we are excited! We've had two amazing trips this past year with fantastically talented surgical teams. But before we talk about that trip, we need YOUR HELP. You were so generous to help provide a new vehicle and many of you gave to that project. Looking forward, we are asking in a step of faith, for a special gift. Our surgical center needs a new piece of equipment. In order to be more efficient and perform even more surgeries we would like to purchase a larger "autoclave." This is a machine that cleans our instruments.

Currently we have an older, outdated, and much smaller machine. It gets the job done, but it limits us in how many patients we can see during those 4-5 days the surgeons are here. The total cost for the new machine would be around \$10,000. This would include the cost of the equipment, shipping, and installation. Ideally we would like this before October, but even if we can't have it for October, we do need it for next year's trips.

Would you prayerfully consider giving to this? You can send a check to MMO and marking it "RSC Special Gift." We know God will provide the funds - as He always does! Consider partnering with us!
